

		P110G		P110G		
Caratteristiche principali • Main Features		Modulare <i>Modular</i>	●		Alimentazione a gas <i>Gas power</i>	Metano/GPL <i>Natural gas/LPG</i>
		Dimensioni esterne (LxP) <i>External size (WxD)</i>	A: 147x138 B: 147x178		Potenza impegnata <i>Maximum power</i>	A: 21,5 kW (18.500 Kcal) B: 29,0 kW (24.950 Kcal)
		Dimensioni interne (LxPxH) <i>Internal size (WxDxH)</i>	A: 110x74x18 B: 110x111x18		Consumo medio orario <i>Average power cons.</i>	A: 2,28 m³/h B: 3,07 m³/h
		Piano in refrattario <i>Refractory deck</i>	●		Tempo di salita a 350°C <i>Time for reaching 350°C</i>	1h 30'
Capacità • Productivity		Nr. pizze Ø30cm/camera <i>Nr. Pizzas Ø30cm/deck</i>	A: 6 B: 9		Nr. teglie per camera <i>Nr. of trays per deck</i>	A: 2(60x45) B: 4(60x45)
		Produzione pizze Ø30cm/h <i>Pizzas Ø30cm output/h</i>	A: 90 B: 135		Produzione teglie/h <i>Trays output/h</i>	A: 16(60x45) B: 32(60x45)
Funzionalità • Functionality		Esterno in acciaio inox <i>External in stainless steel</i>	●		Cappa maggiorata <i>Enlarged hood</i>	○
		Elemento decorativo per cappa <i>Decorative element for hood (stainless steel)</i>	●		Bandella para-calore <i>Heat-blocking blade</i>	●
		Numero colori disponibili <i>Number available colors</i>	2		Celle di lievitazione (h) <i>Provers (available h)</i>	60, 80
		Gestione elettronica <i>Electronic control</i>	●		Supporti (h disponibili) <i>Supports (available h)</i>	40, 80, 95
		Attivatore scarico vapori <i>Exhaustion activator</i>	○		Modulo distanziatore <i>Spacer element</i>	○
		Ruote <i>Castors</i>	●		Versione Vintage <i>Vintage version</i>	○
		Illuminaz. interna protetta <i>Protected internal light</i>	●		Heavy Duty Pack <i>Heavy Duty Pack</i>	○
		Refrattario sabbiato <i>Sand-blasted refractory</i>	●		Guide portateglie <i>Trayholder slides</i>	●
		Porta rinforzata <i>Heavy duty door</i>	●		Senza elemento decorativo per cappa (acciaio inox) <i>Without any decorative element for hood (stainless steel)</i>	∅
		Vetro sostituibile <i>Replaceable glass</i>	●			
		Isolamento alta densità <i>High density insulation</i>	●
